

*A Special Event for all Tucson area practitioners, Sponsored by ASAOM*

# **A Master's Class in Chinese Medical Diagnosis**

**with Bob Flaws**

**Friday, May 9th 1:30-6:00 PM**

*What if you could diagnose your patients more accurately and in half the time that it takes you today?*

*How many more patients could you help?*

*How much better of a living could you earn?*

*How much more confidence would you feel?*

Having practiced Chinese medicine for 30 years, Bob Flaws knows that it is possible to diagnose even complex patients, those presenting 8-10 patterns simultaneously, in 10-15 minutes. In this class, he will share with you a system to speed up your diagnostic process, increase your accuracy, and improve your confidence as well.

In this class, he will cover how to reliably identify the most commonly seen patterns in Western patients with 2-3 questions (*i.e.*, symptoms) and 1-2 observations (signs). Bob will share with you his "Hallelujah" symptoms (the 12-15 signs and symptoms which only have a single disease mechanism) and he will teach you how to posit a diagnostic hypothesis and then confirm or deny that hypothesis quickly and accurately.

**Four CEUs \$75**

**Call ASAOM at 520-795-5999 to sign up today!**

**Speak with Aspen Green for details.**

**(Space is limited to 40 participants)**

**ALSO! Great discounts on Blue Poppy books and herbal products for all attendees**
